Age Group	Number of People
10-19	1000
20-29	1000
30-39	1000

Line graph showing the number of people in the population aged 65 and over in 2011 for four countries: Germany, France, Italy, and the UK. The x-axis represents the population in millions, with a marker at 100. The y-axis represents the number of people aged 65 and over. Germany (green line) has the highest number of people aged 65 and over, followed by France (pink line), Italy (blue line), and the UK (orange line).
